**CONSENT AGREEMENT AND ORDER**

---

After due investigation of a written complaint, the West Virginia Medical Imaging & Radiation Therapy Technology Board of Examiners (Board) determined that there was probable cause to believe that Taylor J. Low (Respondent) performed medical imaging procedures in West Virginia without a valid West Virginia medical imaging license in violation of the provisions of W. Va. Code § 30-23-2(a), and 30-23-22. Respondent was provided with written notice of the allegations against her pursuant to the rules of the Board and the laws of this State.

Now, in lieu of hearing, the parties have reached an agreement as to the appropriate disposition of this matter, with consideration to the necessary safeguards for protection of the public, and do hereby agree to the following Findings of Fact, Conclusions of Law, and Order.

9. By e-mail dated August 11, 2022, Respondent admitted the allegations in the Board's complaint.
